Department of Telecommunications

**TELECOMMUNICATION ENGINEERING CENTRE**

Khurshid Lal Bhawan, Janpath, New Delhi-110001

## **QUALITY OBJECTIVES**

1. To ensure timely preparation & updating of GRs/ IRs /SRs/ERs/ TSTPs/ SDs as per the Annual Action Plan.
2. To interact with National and International Standardisation Bodies for increase in Standards making process for promoting make-in-India program.
3. To develop infrastructure for testing of Telecom and related ICT systems in India by designating NABL accredited Labs and also by setting up labs in TEC.
4. To ensure timely conduct of testing & issue of approval certificates.
5. To ensure continuous skill development of personnel of TEC through trainings and participation in seminars and workshops.
6. To endeavour to increase satisfaction level of all stakeholders of TEC.
