The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark or industrial design rights arising from use of the goods or any part thereof.

4.0 PERFORMANCE SECURITY:
4.1 The contractor shall furnish performance security to the purchaser for an amount equal to 10% of the contract value for the goods as prescribed in Advance Purchase Order within 15 days of issue of the Advance Purchase Order.
4.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the contractor’s failure to complete its obligations under the contract.
4.3 The performance security may be submitted in the form of Term / Fixed deposit from scheduled Bank pledged in favour of ACCOUNTS OFFICER (Cash), TEC, New Delhi or in the form of a Performance Bank Guarantee (PBG) issued by a scheduled bank and in the Performa provided in Annexure III of this tender document.
4.4 The performance security shall remain valid for at least 3 Years 6 Months from the date of Advance Purchase Order. The performance security shall be renewed from time-to-time till all the liabilities of the supply of goods and its installation are resolved by the contractor.
4.5 In case, any amount of Liquidated Damages (L/D) is recovered from PBG, the Contractor shall replenish the PBG to original value within 30 days of recovery.
4.6 The purchaser will discharge the performance security, deducting the pending dues, liquidated damages, if any, after completion of the contractor’s performance obligations including warranty obligations under the contract, and after furnishing of the Performance Bank Guarantee as per Clause No. 3 of Section IV.
4.7 No interest shall be paid on the performance security deposit amount.

5.0 INSPECTION AND TESTS:
5.1. The item on receipt by the ultimate consignee will be performance tested before taking over and if any equipment or part thereof is found defective, the same shall be replaced free of all cost to the purchaser as laid down in Clause 5.2 below.
5.2. If any equipment or any part thereof, before it is taken over under Clause 5.1 is found defective or fails to fulfil the requirements of the contract, the purchaser/ultimate consignee shall give the contractor notice, setting forth
details of such defects or failure and the contractor shall make the defective equipment good, or alter the same to make it comply with the requirements of the contract forthwith and in any case within a period not exceeding 21 days of the initial report. These replacements shall be made by the contractor free of all charges at site. Should it fail to do so within this time, the purchaser reserves the discretion to reject and replace at the cost of contractor, the whole or any portion of the equipment as the case may be, which is defective or fails to fulfil the requirements of the contract. The cost of any such replacement made by the purchaser shall be deducted from the amount payable to the Contractor.

5.3. When the performance tests called for have been successfully carried out, the ultimate consignee or its authorised representative will issue a Taking over Certificate, normally within six weeks of successful completion of tests. The ultimate consignee shall not delay the issue of any Taking Over Certificate contemplated by this clause, on account of minor defects in the equipment which do not materially affect the operational use thereof, provided that the Contractor shall undertake to make good the same in a time period not exceeding three months. BCPC (Bills Copy Payable Challan) shall be equivalent to “Taking over Certificate” from that consignee. “Taking over” of goods against the relevant phase of purchase order will be taken as complete only after all the BCPC have been received by the Purchaser.

5.4. Nothing in Clause 5 as above shall in any way release the contractor from any warranty or other obligations under this contract.

5.5. Prospective bidder can inspect the TEC premises for assessing actual quantities of material required before submitting the bid. In case of deviation, instructions issued by TEC/designated authority shall be binding on the contractor.

6.0 DELIVERY:

6.1 Delivery of the goods and documents shall be made by the Contractor in accordance with the Schedule of Requirements (SOR) Section V and the special conditions of the contract (Section IV) and the goods shall remain at the risk of the contractor until delivery and installation has been completed in all respect. The delivery of the equipment shall be to the Ultimate Consignee as given in the purchase order.

6.2 The delivery of the goods and documents should be implemented strictly as per the delivery schedule as given below.
   a. Delivery of goods and documents – within 8 weeks of issue of Purchase Order.
   b. Installation, system integration and documents – within 16 weeks of issue of Purchase Order.
   c. Commissioning of the network – within 24 weeks of issue of Purchase Order.

7.0 WARRANTY:

7.1 The supplier shall warrant that the stores to be supplied shall be new and free from all defects and faults in materials used, workmanship and manufacture and shall be of the highest grade and consistent with the established and generally accepted standards for materials of the type ordered and shall perform in full conformity with the requirements and drawings as per
Annexure V. The supplier shall be responsible for any defect that may develop under the conditions provided by the contract and under proper use, arising from faulty material, design or workmanship such as corrosion of the equipment, inadequate quality of material to meet equipment requirements, inadequate contact protection, deficiencies in circuit design and/or otherwise and shall remedy such defects at his own cost when called upon to do so by the Purchaser who shall state in writing in what respect the stores are faulty. This warranty shall survive inspection or payment for / and acceptance of goods, but shall expire (except in respect of complaints notified prior to such date) 24 months after the last stores have been taken over under Clause 5.2 above.

7.2 If it becomes necessary for the Supplier to replace or renew any defective portion(s) of the equipment under this clause, the provisions of the Clause 5.3 shall apply to the portion(s) of the equipment so replaced or renewed or until the end of the above mentioned period of 24 months, whichever may be later. If any defect is not remedied by the supplier in accordance with clause 2.0 of Section IV within two weeks, the purchaser may proceed to get the defects remedied from other sources, at the supplier’s risk and expenses, but without prejudice to any other rights which the purchaser may have against the supplier in respect of such defects including extension of warranty for delay beyond 2 weeks.

7.3 Replacement under warranty clause shall be made by the supplier free of all charges at site including freight, insurance and other incidental charges.

8.0 PAYMENT TERMS:

8.1 70% Cost of the goods supplied in a purchase order will be paid on receipt of the goods in good condition, at site after conformity checks. For claiming this payment following documents must be produced.
   a. Bills in duplicate duly pre-receipted
   b. Delivery Challan
   c. Excise gate pass and/or Custom Duty Paid Certificate or equivalent document as applicable.
   d. Certificates of receipt of goods in physically good condition from the ultimate consignees.
   e. Proof of payment of Octroi / Entry tax etc., if any
   f. Invoice countersigned by officer-in-charge.
   g. Consignee receipt on Delivery Challan.

8.2 Bills for the supply of total quantity of a purchase order of complete supply will be settled once, on submission of the documents as mentioned above.

8.3 20% of the cost of the goods supplied in the purchase order and 90% Cost of the Installation and removal of old cables will be paid on taking over the network. For claiming this payment following documents must be produced
   a. Invoice countersigned by officer-in-charge
   b. Taking over Certificate from ultimate consignee.

8.4 The balance 10% of the total purchase order cost shall be released after 6 months from “Taking Over” as per clause 5.3 of Section III subject to production of certificate of satisfactory performance from designated officer in-charge of the ultimate consignees.
8.5 Payment to the bidder shall be made on the basis of actual CAT-6 cable, optical fiber cable, Patch Cords, Patch Panel, PVC ducts, PVC channels, flexible pipe laid and actual number of computer (RJ 45 / I/O box) connections installed / provided.

8.6 Deductions of liquidated damages, if any, shall be made from the relevant bill.

9.0 PRICES:
9.1 The accepted prices shall remain valid and operative during currency of the contract.
9.2 Prices charged by the contractor for the services performed under the contract shall not be higher than the prices quoted by the contractor in his Bid.
9.3 Prices for services once fixed will remain valid for the currency of the contract. However, increase/decrease only in the rates of statutory levies/taxes by the Government, during the original delivery period will be allowed.
9.4 The benefit arising out of reduction in rates of taxes/levies by the Government before the supplies made, will be passed on to purchaser.

10.0 SUB-CONTRACTS:
No subcontracts are permitted.

11.0 DELAYS IN THE SUPPLIER’S PERFORMANCE:
11.1 Delivery of the Goods and performance of the services shall be made by the Supplier in accordance with the time schedule specified by the purchaser in its purchase order. In case the supply is not completed within the stipulated delivery period, as indicated in the Purchase Order, purchaser reserves the right to short close/cancel this purchase order and/or recover liquidated damage charges. The cancellation/short closing of the order shall be at the risk and responsibility of the supplier and purchaser reserves the right to purchase balance unsupplied item at the risk and cost of the defaulting suppliers.
11.2 Delay by the Supplier in the performance of its delivery and warranty obligations shall render the Supplier liable to any or all of the following sanctions, viz., imposition of liquidated damages, and forfeiture of its performance security and/or termination of the contract for default.
11.3 If at any time during the performance of the contract, the supplier encounters condition impending timely delivery of the goods and performance of service, the Supplier shall promptly notify to the Purchaser in writing the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier’s notice, the Purchaser shall evaluate the situation and may at its discretion extend the period for performance of the contract subject to furnishing of additional performance security by the supplier @ 5% of the total contract value.
11.4 If the supplies are not completed in the extended delivery period, the purchase order may be short-closed and the Performance security shall be forfeited. However, in such situation the supplier will have to furnish a fresh performance security of 10% of the Purchase Order value for the quantity supplied.

12.0 LIQUIDATED DAMAGES:
12.1 The date of delivery of the stores stipulated in the acceptance of the tender should be deemed to be the essence of the contract and delivery must be
completed no later than the dates specified therein. Extension will not be given except in exceptional circumstances. Should, however, deliveries be made after expiry of the contracted delivery period, without prior concurrence of the purchaser and be accepted by the consignee, such delivery will not deprive the purchaser of his right to recover liquidated damage under Clause 12.2 below.

12.2 However, when the goods are supplied within 7 days of the original delivery period, consignee may accept the goods. In such cases the provisions of clause 12.1 shall not be applicable, and no liquidated damages shall be leviable.

12.3 Should the supplier fails to deliver the store or any consignment thereof within the period prescribed for delivery, the purchaser shall be entitled to recover 0.5% of the value of the delayed supply for each week of delay or part thereof for a period up to 10 (TEN) weeks and thereafter at the rate of 1% of the value of the delayed supply for each week of delay or part thereof, subject to a maximum 10% of the total value of the concerned purchase order. Quantum of liquidated damages assessed and levied by the purchaser shall be final and not challengeable by the supplier.

12.4 Goods rejected on receipt of supply shall also be subjected to LD charges if not replaced with in the stipulated delivery period as such supply shall be taken as non-supply.

12.5 The payment of LD shall not in any way relieve the contractor from any of its obligation/ liabilities to make supplies of services/ goods under the contract.

13.0 **FORCE MAJEURE:**

13.1 If, at any time, during the continuance of this contract, the performance in whole or in part by either party of any obligation under this contract is prevented or delayed by reasons of any war or hostility, acts of the public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes, lockouts or act of God (hereinafter referred to as events) provided notice of happenings of any such eventuality is given by either party to the other within 21 days from the date of occurrence thereof, neither party shall by reason of such event be entitled to terminate this contract nor shall either party have any claim for damages against other in respect of such non-performance or delay in performance, and deliveries under the contract shall be resumed as soon as practicable after such an event come to an end or cease to exist, and the decision of the Purchaser as to whether the deliveries have been so resumed or not shall be final and conclusive. Further that if the performance in whole or part of any obligation under this contract is prevented or delayed by reasons of any such event for a period exceeding 60 days, either party may, at its option, terminate the contract.

13.2 Provided, also that if the contract is terminated under this clause, the purchaser shall be at liberty to take over from the supplier at a price to be fixed by the purchaser, which shall be final, all unused, undamaged and acceptable materials, bought out components and stores in course of manufacture which may be in possession of the supplier at the time of such termination or such portion thereof as the purchaser may deem fit, except
such materials, bought out components and stores as the supplier may elect to retain with the concurrence of the purchaser.

14.0 TERMINATION FOR DEFAULT:
14.1 The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default, sent to the supplier, terminate this contract in whole or in part
   a. If the supplier fails to deliver any or all of the goods within the time period(s) specified in the contract, or any extension thereof granted by the purchaser pursuant to Clause 6 and 11 of this section.
   b. if the supplier fails/delays to perform any other obligation(s) under the contract; and
   c. If the supplier, in either of the above circumstances, does not remedy his failure within a period of 15 days (or such longer period as the purchaser may authorize in writing) after receipt of the default notice from the purchaser.
14.2 In the event the purchaser terminates the contract in whole or in part pursuant to Clause 14.1, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods similar to those undelivered and the supplier shall be liable to the purchaser for any excess cost for such similar goods. However, the supplier shall continue the performance of the contract, including warranty, to the extent not terminated.
14.3 The purchaser reserves the right to ban a contractor to quote in further tender enquiries for a specified period, in case he fails to honor his bid/contractual obligations, without sufficient and reasonable grounds.

15.0 TERMINATION FOR INSOLVENCY:
The Purchaser may at any time terminate the contract by giving written notice to the supplier, without compensation to the supplier, if the supplier becomes bankrupt or otherwise insolvent as declared by the competent court provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the purchaser.

16.0 ARBITRATION:
16.1 In the event of any dispute or difference arising as to the execution of the contract or as to the respective rights or liabilities of the parties or the interpretation of any condition of agreement (except as to any matters the decision of which is specially provided for by those or the special conditions) the same shall be referred to the sole arbitration of Sr. DDG, TEC, New Delhi or of his nominee. If the post of Sr. DDG, TEC is vacant, a higher authority or his nominee will act as Sole Arbitrator. The award of the arbitrator shall be final and binding on the parties to the agreement.
16.2 The arbitrator may from time to time with the consent of the parties to the agreement enlarge the time for making the award.
16.3 Upon every such reference, the assessment of the cost incidental to the reference and award respectively shall be the discretion of the arbitrator.
16.4 The agreement to appoint an arbitrator will be in accordance with the Arbitration and Conciliation Act, 1996.
16.5 In the event of such arbitrator to whom the matter is originally referred, being transferred or vacating his office or being unable to act for any reasons whatsoever another person shall be appointed to act as arbitrator by
Department of Telecom in accordance with terms of agreement and person so appointed shall be entitled to proceed from the stage at which it was left out by his predecessors.

16.6 The venue of arbitration shall be New Delhi the place from which the acceptance note is issued or such other places, as the Sr. DDG, TEC at his discretion may determine. In this clause, the terms Sr. DDG, TEC includes any other officer who is for the time being discharging the duties of Sr. DDG, TEC, whether in addition to other functions or otherwise.

17.0 SET OFF:
Any sum of money payable to the Contractor (including security deposit refundable to him) under this contract may be appropriated by the purchaser or the purchasers or any other person or persons contracting through the purchaser and set off the same against any claim of the purchaser or purchaser or such other person or persons for payment of sum of money arising out of this contract or under any other contract made by the Contractor with purchaser of the purchaser or such other person or persons contracting through the purchaser.

18.0 COURT JURISDICTION AND INTERPRETATION OF CONTRACT:
This Contract/PO is subject to jurisdiction of the competent Courts at New Delhi only. This Contract shall be interpreted in accordance with Indian Law.

19.0 PAYMENT METHOD:
19.1 Payment shall be made to the contractor electronically or through cheque for which a supplier shall provide the necessary details of his bank account.
19.2 Income Tax or any other applicable taxes shall be deducted at source at the time of payment to the contractor, in accordance with the provisions of the relevant applicable Acts.

SECTION - IV
SPECIAL CONDITIONS OF CONTRACT

1.0 The special conditions of contract shall supplement the ‘Instructions to the Bidders’ as contained in Section II & “General (Commercial) Conditions of the Contract” as contained in Section III and wherever there is a conflict, the provisions herein shall prevail over those in Section II and Section III. If there is any discrepancy in NIT published in newspapers and eligibility, terms & conditions stipulated in tender document, provision in the tender documents shall prevail.

For interpretation of any condition of this tender document, the decision of Purchaser shall be final and binding on the Bidder.

2.0 SCHEDULE OF WORK/ SCOPE OF WORK:

2.1 Structured LAN cabling:

2.1.1 The work shall broadly include:

a. Integration of new network elements such as switches and routers being installed by CDOT.

b. Integration of the existing LAN Switches, to the extent required. A schematic of the LAN is enclosed in Annexure V. The OF cable connectivity, fibre connectivity and the floor wise connectivity are also shown. The actual location of the switches, nodes, Fibre Termination Unit(FTUs) shall be decided by TEC at the time of execution.

c. The contractor shall submit the initial plan of laying the Fibre/CAT6 cable network to TEC after detailed survey of the building. The purchaser may suggest minor modifications in the laying plan during the execution and the contractor shall carry out these modifications. All the cables shall be laid as per the approved plan.

d. All unused cables/cable trays/other passive components currently in use shall be dismantled and removed after commissioning of the new passive network. These cables shall be recovered and disposed by the contractor after the fibre connectivity and LAN connectivity is successfully completed. All the unused older LAN cables are to be removed priorly for facilitating the new cable installation. The contractor is required to remove the false flooring/roofing and remove/install the OF/LAN cables. After the installation work is completed, the false flooring/roofing is to be restored without any damage. The contractor is required to lay these cables through the cable raisers between the floors.

e. Identification of existing cable runs and equipment port connectivity charts shall be prepared and submitted (both hard copy and soft copy) by the contractor.

f. Tags shall be fixed at the both ends of every cable identifying the cable path and cable ends (both for fibre and for Cat6 Cable) as per the labelling plan for cabling infrastructure.

g. Marking and identification of entire LAN infrastructure. The floor wise plan of cable laying shall be submitted (both hard copy and soft copy).

h. Creation of separate cable trays/pathways/raceways wherever required. The OF cables and LAN cables shall be laid through the PVC pipes. The ends of the
PVC pipes shall be closed properly for avoiding the rat entry. All pipe end points shall properly closed.

i. Documentation required to be handed over to building administration for ease of maintenance of cabling infrastructure.

j. LAN cables on each floor shall be terminated into required numbers of termination boxes/telecommunication closets before the same are extended to the individual computers/hosts.

k. The LAN infrastructure coverage area shall cover the whole of TEC.

l. The wired LAN/Fibre infrastructure shall be installed without affecting the existing network connectivity of individual computers/hosts and existing other infrastructure such as power cabling/Wi-Fi cabling.

m. The multimode/Single mode fibre connectivity from the central Fibre Port Switch to the individual floor LAN Switches shall be taken through two separate routes and terminated in the fibre termination boxes near the Floor LAN switches.

n. The Fibre termination units, LIU for fibre termination and/or Fibre Distribution Frames shall be equipped with SC-PC type ‘0’db adapters.

o. After passive cabling installation work is completed, the commissioning of this network shall be declared by TEC in consultation with CDOT.

p. Four OF cables shall be terminated in the 2nd floor of TEC. Two OF cables shall be laid towards 2nd floor, 1st floor and Ground floor. Two more OF cables shall be laid towards 3rd floor, 4th floor, fifth floor and sixth floor.

q. The bidder shall measure and submit the optical power levels/attenuation for each fibre in the four cables. The OTDR trace showing the continuity for the both side terminated fibres/cables shall be submitted by the contractor.

r. The contractor shall be required to work in coordination with CDOT personnel for successful commissioning of the Switches and routers. Necessary operational support required in tracing the installed fibres/CAT 6 cables shall be extended to CDOT. In case CDOT confirms that the fibre/CAT 6 connectivity is not established, the contractor shall restore the fault immediately.

s. After CDOT confirms that all the network elements (switches) are connected on two fibre paths, the fibre cabling part is considered as completed.

t. After the designated officer of TEC confirms that all the user nodes (computers) are connected in the LAN and internet is accessible on these nodes then the CAT 6 cable network shall be considered as completed.

u. The unused material (in SOR) shall be handed over to IT division. The optical power meter shall be handed over to IT division.

v. The final fibre connectivity plan and CAT6 connectivity plan shall be submitted by the contractor (both hard copy and soft copy).

w. The patch cords at Sl no 15,16,17 of the SOR shall be factory made.

x. The CAT6 connectors shall be crimped firmly to the CAT6 cable. The CAT6 cable jacket shall be firmly held by the connector.

3.0 SUPPLIER’S RESPONSIBILITIES:

The responsibility of the Supplier shall be as follows:

a. Supply/Delivery of the items mentioned in clause 1.0 of SOR in Section V, Installation and Commissioning as per clause 1.1 of SOR in Section V.

b. The Supplier shall provide fireproof wiring.

c. Completion of the work as per the scope at Clause 2.0 of Section IV.
4.0 ROLE OF PURCHASER:
Role of Purchaser shall be to provide the following:
   a. Space for installation of cable in purchaser building.
   b. Facilities like alternating current (AC) electric power.
   c. Declaration of the commissioning of the LAN network.

5.0 INSTALLATION & COMMISSIONING:
5.1 Installation of passive network shall be done as described in scope of work. Commissioning of passive network shall be completed within specified period as described in Para 6 of section III.

6.0 OTHER CONDITIONS:
6.1 The quality of goods & services should strictly be as per specification mentioned at Section-V and in Clause no. 2, 3 & 5 above.
6.2 Quality checking will be done by the Reporting/Controlling/Designated Officer. No payment shall be made for the goods or services rejected due to deficient quality.
6.3 All the responsibilities of getting support from third parties for spare/services shall be with the Contractor. Purchaser shall not have any obligation to contact such third parties.
6.4 After expiry of the contract all the network items are to be handed over to Purchaser within five working days of expiry of contract in full working condition and a certificate to effect is required to be obtained by the vendor from concerned officer in charge of the maintenance and to produce along with the final claim.
6.5 The contractor shall also provide his contact phone number to the purchaser which should be responded 24*7, so that he may be approached in case of any requirement.
6.6 The personnel deployed by the contractor for the job shall be medically fit and possess good conduct and be amenable to discipline.
6.7 On repeated defaults, the contract is liable to be cancelled at the risk and cost of the Contractor.
6.8 No hindrance shall be caused by the contractor or his workforce to the purchaser’s staff/work.
6.9 All employees of the contractor shall be employees of the Contractor and shall remain so. Purchaser will not have any liability to absorb them at any point of time, nor can the employees of contractor claim any right for employment in TEC.
6.10 Payment of all kinds of Government taxes or duties will be the liability of the contractor.
6.11 The contractor shall abide with all local/municipal/state/central/labour laws provisions including payment of minimum wages as declared by Central Government or State Government whichever is higher and regulations.
6.12 Any liability under any act or statute shall be of the contractor and under no circumstances shall purchaser assume responsibility.
6.13 If any of the persons engaged by the contractor is not working satisfactorily or misbehaves with any of the officials of the purchaser, the contractor shall
replace him immediately. In case the purchaser feels that the working/conduct of any of contractor’s employees is detrimental to the interests of the purchaser, it shall have unqualified right to request for the removal of such employee for incompetence, unreliability, misbehavior, security reasons, etc., while on or off the job. The contractor shall comply with any such request to remove such personnel at his own expense unconditionally. The contractor will be allowed a maximum of two working days to replace the person by competent qualified person.

6.14 The contractor shall submit a letter mentioning the details of the Resident Professional along with their relevant certificates deployed in TEC under this contract, to Reporting/Controlling Officer.

6.15 The contractor shall provide necessary insurance coverage to his workmen, keeping in view the scope of work and material to be handled by them, so as to indemnify the purchaser for any act from contractor’s workmen in case of any accident, or mishap, including death. The insurance cost of personnel working for the contractor at the site, shall be borne by the contractor.

7.0 SIGNING OF TENDER DOCUMENT BY BOTH PARTIES
Each page of this tender document may be signed by both the parties and kept on the record to serve as contract after submitting the PBG.
