**“Notice for inviting Nominations”**

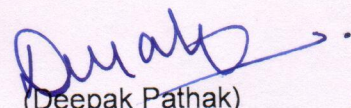

Dated 15-07-2021

**Subject: Inviting nominations for Consultative committee (CC) regarding adoption of TSDSI transposed standard for Radio Interface Technology (named 5Gi) towards IMT-2020 in to National Standard by TEC**

Telecommunication Engineering Centre (TEC) is in the process of adopting the TSDSI standard for **Radio Interface Technology (named 5Gi) towards IMT-2020** into national standard. A **consultative committee (CC)** is to be formed under the chairmanship of DDG (MT) and members from industry, academia, R&D organisations etc to discuss/deliberate on various aspect of the standards under consideration to safeguard the National interest .as part of adoption process and subsequently declaring it as National Standards.

In view of the above, nominations are hereby invited from Telecom Service Providers, Manufacturers, experts from R&D, academia and other stakeholders to be part of the Consultative Committee to participate and contribute in the adoption process.

The nominations may kindly be sent to [ddgm.tec@gov.in](mailto:ddgm.tec@gov.in) and [ddgnngn.tec@gov.in](mailto:ddgnngn.tec@gov.in) with a copy to [dirm1.tec@gov.in](mailto:dirm1.tec@gov.in) , [adetm.tec@gov.in](mailto:adetm.tec@gov.in) by **25-07-2021**

(Deepak Pathak)  
Director (Standardization)  
Telecommunication Engineering Centre
