Subject: Invitation for Mandatory Testing Consultative Forum (MATCOF) for ER on ‘Radio Broadcast receivers’

TEC is implementing Mandatory Testing & Certification of Telecommunication Equipment as notified vide Gazette Notification No. G.S.R. 1131(E) dated 5th September, 2017 for which Essential Requirements (ER) documents are being formulated.

The online Mandatory Testing Consultative Forum (MATCOF) to consider the draft ER on ‘Radio Broadcast Receivers’ is planned to be held as per the following schedule:

**Date:** July 22, 2020  
**Time:** 11:00 am onwards  
**Platform:** Go to meeting (Virtual meeting)

The link for attending the MATCOF is attached in the mail. The draft of the ER document to be discussed is also enclosed herewith. The stakeholders are encouraged to send their comments (ignore if, already sent) on the draft ER beforehand, so that same may be considered during the discussions. As the discussion on the draft ER document will be fairly technical in nature, appropriate representation from the technical experts of different stakeholders is advised.

The stakeholders under this category or their technical experts who may attend on their behalf are invited to participate in the MATCOF. It is advised to confirm about your participation in the MATCOF via email along with the details of the participants.

The comments on the draft ER and confirmation to participate in the MATCOF may be sent to harshit.modi@gov.in with a copy to neha.upadhyay86@gov.in latest by July 20, 2020.

(Harshit Modi)  
Assistant Divisional Engineer- Telecom,  
Radio Division, TEC.
