**Sub: Inputs on withdrawal of GRs (Now called as Standard for Generic Requirement)  
of FA Division.**

FA Division, TEC is in the process of reviewing the relevance of Generic Requirements (GRs) of certain Telecom Products/equipment pertaining to Pressurised Cables attached at annexure-A and would, therefore, like to ascertain as to whether these GRs have any useful purpose in the present day context or have outlived their utility/useful life and has become obsolete.

In this regard, it is requested that if the GR mentioned above are in use at your end or product mentioned in these GRs are being manufactured/current use, it may please be communicated to FA Division by 15.07.2021. In case no reply is received regarding the utility of these documents, it shall be assumed that the above listed documents are not required anymore and hence will finally be withdrawn as per the process.

Thus input provided to us will help at great extent in forthcoming sub-DCC/DCC committee's meeting, to discuss and decide by participants/ members of committees, whether to keep the following TEC GRs alive or to withdraw the same.
