No. 32-1/2023-FA/TEC

Date: 06.09.2023

Meeting Notice

Dear Members of MATCOF,

The GPON has been increasingly deployed in the Optical access network leading to increasing penetration of FTTH (Fibre to the Home) in India. A single OLT port of GPON can serve several ONTs / ONUs through a shared passive optical network. The OLT has to master multiple user devices (ONT /ONU) in a multivendor environment. In this connection, TEC has received inputs/suggestions from the concerned stakeholders that requirement for interoperability between OLT and ONTs is also to be prescribed in ER.

2. Therefore, a MATCOF meeting is scheduled to be held at 15:00 Hrs on 14th Sept 2023 (Thursday).

3. Existing ER on "PON family of Broadband Equipment: TEC14762308" is available at https://www.mtcte.tec.gov.in/er_list.

4. You are requested to examine the ER and furnish your contributions/inputs to the undersigned on email dirfa.tec@gov.in with a copy to ddgfla.tec@gov.in by 12th Sept 2023 so that the same can be discussed in the meeting for its revision of ER.

Details of the meeting:

Date and time: 14.09.2023 at 03:00 PM (Thursday)

Venue: Online

The link for meeting: <https://cdotmeet.cdot.in/vmeet/rag-dtq-xpb-s5x>

Members are requested to kindly make it convenient to attend the meeting.

(Deepak Pathak)
Director (FA), TEC
